Hi Ed-

I apologize that I didn't let you know I received your summons you sent on March 19th for the [REDACTED] case scheduled for trial tomorrow (4/3/12), but I was out of town that week and was stuck in court 3 days last week while also trying to catch up on all my other paperwork. I may have a problem with tomorrow, though, as I have a case scheduled in New Bedford as well. It's a fairly big case, and the co-defendants have decided to have separate trials, so I'm guessing it is actually going to be a trial. I contacted who I thought was the ADA working on it last week only to find out that he is no longer working in that office, so I'm waiting to hear back from the correct ADA to see what the status of that case is.

Also, the second co-defendant in the New Bedford case I just mentioned is scheduled for trial on Wednesday, 4/4/12, the same day as the [REDACTED] case in Holyoke that you are handling. Same situation with this one - I'm waiting to hear back from the ADA to know what's going on with it. I'll keep you informed when I hear anything, and if anything changes with your cases, please let me know so I can plan accordingly.

Sorry for the inconvenience.

-Sonja
